**RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085**

I am horrified at the prospect of this oversized monstrosity being approved in this area. The traffic congestion will increase on what is already a dangerous intersection. The proposed height is totally out of keeping with the area. The major disruption that will occur during the build will affect hundreds of residents in surrounding streets. It will be another nail in the coffin for the "Forest" in Frenchs Forest. It is totally out of keeping with the low density concept of this area. Please stop it
