RE: Mod2022/0090 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

Both the 'Report - Biodiversity' and 'Report-Revegetation' under the documents attached to the Application refer to a different site "John Fisher Park, Abbott Road, North Curl Curl".

These need to be updated with the new proposal location of "Huston Parade, North Curl Curl". As it stands, the old maps and images have no relevance to the new site and new reports should be produced.

thank you,
Craig
