Hello

As neighbours to No 3 Bilgola Terrace I would like to oppose this application due to the privacy impacts to us as residents. I believe that this redevelopment to their property is unsuitable

The proposed plans would impact our right to privacy by exposing our rooms allowing anyone on the balcony of no 3 to look into our main bedroom, the living and kitchen areas. The proposal would also impact natural light to the property as their proposal plans to raise the roof

I would like to understand how we can formally oppose this development request. I could not find paperwork to send to formalise this

Could you please advise the process

Thanks in advance
