RE: DA2020/1587 - 51 A Beaconsfield Street NEWPORT NSW 2106

This DA application is lodged to meet the growing safety issues, as the community of participants at risk increases. Our growing concern is the current increased lack of safe equitable access; the perilous, hazardous oyster covered rocks and the desire to rectify this situation as a matter of urgency. As a strong, harmonious supportive community with access to the waterfront we wish to express strongly our support for the application. These include Lot 3 Judyth Boyle - Lot 3 Judyth Boyle (resident for 50 years: 7 grandchildren 4 -11 years;)
Lot 6 Luke and Ella Miles (3 children under 13)
Lot 4 Steve and Amanda Hanson (3 teenagers);
Lot 5 Dave and Corina Bouman (2 children under 13)
Lot 7 Paul and Stacey Hrobat (3 children under 9)
Lot 2 Jelena Mrkich and family.
