RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107

Put aside the effect you will be having on the local environment removing the trees and digging up the soil, how do you plan for this to not impact the single lane road your building on? How will trucks and tradies enter and leave safely? How will the post man come? You are causing an incredibly unsafe situation that will effect thousands of people. This road can simply not cope
