**Subject:** objection to DA2020/0162

To: Jordan Davies

Hi Jordan, I own unit 7 – 92A Mona Vale Rd Warriewood and would like to object to the DA listed above for Unit 10 in our complex.

The parking issue is untenable at the moment with the amount of vehicles using carspaces not theirs within the complex itself.

If this DA is approved the situation will be intolerable and quite possibly dangerous with the amount of additional vehicles driving around.

Please consider the wishes of current tenants.

Regards
