**RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

I fully support the DA application to utilise Pittwater RSL Carpark to re-house the French's Forest markets.

The markets have had a long and successful history on the French's Forest site and provide a valuable community service with the provision of organic and market fresh fruit and vegetables.

The markets also provide significant employment, a cultural hub for locals to meet and gather, and is often visited by tourists visiting the area.

The utilisation of a Club carpark that would otherwise be unused on a Sunday morning makes good sense.
