RE: DA2024/0675 - 84 Mona Vale Road MONA VALE NSW 2103

As a northern beaches resident and active member of the Northern Beaches Pickleball Association (NBPA) I am fully support of the construction of pickleball facilities at Pittwater RSL. The Northern Beaches need more and more pickleball venues and courts to accommodate this fast growing sport.

Pickleball is an inclusive sport and caters to all ages - young and old.

I congratulate Pittwater RSL in supporting the fast growing sport of Pickleball and for helping to make available greater health and recreational opportunities for the area.
