Subject: Planning Section 455 , Modification Mod 2021/0983

I own and live a few doors up from proposed development. No 225 Whale Beach Rd.

I fully support the New, modified application.
Residents like myself will be able to get a dinner meal with a glass of wine.
What a great benefit for the local community.
It will enhance the local area and bring in more revenue to the Council.

Thank you
