RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

This application should be denied. Optus have misled people about the exact location of the tower; there has been no community consultation or information; and the tower is located inappropriately close to our school and key sporting/recreation area.

I have poor mobile reception at my home. I'm happy with this. I'd prefer to not live near a phone tower.
