RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

I am against the installation of the telecommunication tower in the Curl Curl reserve. This area is one of the reason why the community is enjoying Curl Curl so much and it would be very much a shame to damage such a special place. In a world of ever growing urbanisation, little pockets of paradise like the Lagoon are to be protected and nurtured. Please hear my demand to cancel that tower project

Best regards Camilla Dumas
