**RE: DA2020/1163 - 24 Wandeen Road CLAREVILLE NSW 2107**

Please register my complaint against the proposed dwelling for 24 Wandeen Rd Clareville. I have looked at the plans and need to say this is a ridiculous proposal for our area. The plans indicate a huge dwelling and the loss of most trees not to mention the bird life. we cannot allow buildings on this size and this nature in our street. It sets a very bad precedent and we need to make a stand against such developments. Please refuse this proposal and fight for a better outcome for all.

I feel for the neighbours and anyone who visits the area. The trees will be gone and an ugly huge block style house will be there for years to come. Not t mention the danger of building on such a steep block.
