**RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

I am a farmer producing pasture raised free range eggs and organic eggs and have been a stall holder at the Frenchs Forest Farmers market from its beginning almost 25 years ago. The market has been an invaluable outlet for our eggs and connection with our customers. I supply between 450 to 600 people each week with eggs at the market and they value the quality of products supplied directly from the farm and the ability to communicate directly with the farmer. I strongly support the move to the carpark of Pittwater RSL it will be vital for the continued success of my farm and the interests of my customers in supporting sustainable farming
