RE: DA2020/1039 - 15 Jubilee Avenue WARRIEWOOD NSW 2102

Maxwell Duncan
Planner
Northern Beaches Council
Dear Maxwell:

Re Bus Depo at 15 Jubilee Avenue, Warriewood DA2020/1039

I STRONGLY OBJECT to this ludicrous development. I am also annoyed that we received no notification of this DA from Council. We are the most effected resident next door.

It was only through a friend I was told of this and I have been away for 1 week and only arrived home yesterday. I called Council and Maxwell told me that they will accept late objections.

Council can also expect Steve Cooper from the Acoustic Group to do a peer review on the Acoustic Dynamics Report.

I will putting forth more detail my objection to Council within a week.

Yours faithfully,

Mary Phillips and Valerie Jensen
