RE: DA2020/0651 - 57 Bower Street MANLY NSW 2095

Can you confirm if the works the subject of the DA face onto Bower Street or Montpelier Place? I spoke to a planner at the Council Chambers who advised me that the works faced onto Bower street but looking at the plans again it appears they are with respect to the garage that faces onto Montpelier.

Also can you please advise under what DA approval the existing works are being undertaken? There has scaffolding and works on site for the past 5 months.
