**RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094**

The planned development will bring the facility into the C21st and better service the growing community need for waterside social, leisure and recreational facilities and activities. The updating of the infrastructure will improve the level of user accessibility. Removal of the slipway will significantly enhance the environmental footprint of the site. The reconfigured jetty will better cater for the large and sustainable increase in the use of personal watercraft such as paddle boards and kayaks.
