To whom it may concern,

I'm writing to express my strong opposition to the proposed development DA2020/1756 on 351 Barrenjoey Road, Newport. The Robertson Rd strip is such a unique aspect within Newport and is really the only community strip that exists in Newport that isn't on a main road. Robertson Road has the potential to be so much more and this development which among other things is unattractive and has a garage entrance on Robertson Road itself has give very little thought into how this unsightly construction and increased flow of traffic will impact the rest of the street and Newport as a whole for years to come. There really is no other street like it in Newport... The lack of community consultation on this is development is disappointing. Please do not approve this development in it's current form

thankyou,

Luke Lucas
