Reasons for referral

This application seeks consent for any application on land or land being adjoining or adjacent to any parks, reserves, beaches, or foreshore
And as such, Council's Parks, Reserves and Foreshores officers are required to consider the likely impacts of the proposal.

Officer comments

The proposed development borders Freshwater Beach Reserve on its north western boundary. It is noted that the pathway in Freshwater Beach Reserve has been identified as an alternate access to the site during construction. This alternate access during construction is acceptable provided that the recommended conditions are adhered to.

No other issues with the proposal.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.

Parks, Reserves and Foreshores Conditions:

CONDITIONS TO BE SATISFIED PRIOR TO THE ISSUE OF THE CONSTRUCTION CERTIFICATE

Working and Access on Reserves Permit

Works (undertaken by principal contractors working without Council supervision) on Land owned or managed by Council require a "Working on Reserves" permit prior to commencement. Applications can be obtained from Council's website or the Parks and Recreation business unit.

Reason: Public safety and the protection of Council infrastructure.

CONDITIONS THAT MUST BE ADDRESSED PRIOR TO ANY COMMENCEMENT

Dilapidation Report of Land owned or managed by Council

A dilapidation report established at the commencement of the works shall contain a survey of pre-existing land features including photographic record of the Land under Council's care control and

management adjoining the development, detailing the physical condition of items such as, but not exclusively limited to, physical assets such as crossovers, driveways, footpaths, utilities, furniture, play equipment, trees, gardens, lawn areas, bushland, and any rock outcrops.

This dilapidation report shall be submitted to Council and the Certifying Authority prior to commencement of works, and shall be the basis for rectification of any damage to Council's assets as listed in the Post Construction Dilapidation report submitted prior to the issue of the Occupation Certificate.

Any damage to these assets during the works must be replaced like for like to the satisfaction of the Certifying Authority, and shall be subject to acceptance by Council.

The applicant may be held liable to any damage to public infrastructures in the vicinity of the site, where such damage is not accurately recorded under the requirements of this condition. In this regard, where required, the damage deposit lodged by the applicant may be used by Council to repair such damage on Council's property.

Reason: Protection of Council's assets.

Works on Land owned or managed by Council

No works are to be carried out on Land owned or managed by Council.

Reason: public safety and environmental protection.

CONDITIONS TO BE COMPLIED WITH DURING DEMOLITION AND BUILDING WORK

Storage of Materials on Land owned or managed by Council Prohibited

The dumping or storage of building materials, spoil, vegetation, green waste, or any other material in Land owned or managed by Council is prohibited.

Reason: public safety and environmental protection.

Protection of Council's Public Assets

Any damage to Council's public assets shall be made good by the applicant and/or the contractor, to the satisfaction of Council.

Council's public assets include, but is not limited to the following: road, kerb and gutters, crossovers, crossings, paths, grass verge, open space and associated elements such as furniture, recreational facilities and the like, within the meaning of the Local Government Act 1993.

The dumping or storage of building materials, spoil, vegetation, green waste, or any other material in Land owned or managed by Council is prohibited.

Asset Protection Zones as defined within Planning for Bush Fire Protection 2019, shall be contained wholly within development sites, and shall be managed by the development site owner in perpetuity.

Existing trees shall be protected in accordance with AS4970-2009 Protection of Trees on Development Sites, with particular reference to Section 4, with no ground intrusion into the tree protection zone and no trunk, branch nor canopy disturbance. Should any problems arise with regard to the existing trees on public land during the construction period, the applicant is to immediately Contact Council's Tree Services section and resolve the matter to Council's satisfaction.

Reason: to protect and/or restore any damaged public asset.

CONDITIONS WHICH MUST BE COMPLIED WITH PRIOR TO THE ISSUE OF THE OCCUPATION CERTIFICATE

Post Construction Dilapidation Report of Land owned or managed by Council

Rectification works to Council's assets shall be contained in a Post Construction Dilapidation report submitted to Council prior to the issue of the Occupation Certificate.

The applicant may be held liable to any damage to public infrastructures in the vicinity of the site, where such damage is not accurately recorded under the requirements of this condition. In this regard, where required, the damage deposit lodged by the applicant may be used by Council to repair such damage on Council's property.

Reason: protection of Council's assets.
