RE: DA2019/1119 - 4 / 0 Bennett Street CURL CURL NSW 2096

We are opposed to the proposed market/fair at Harbord Bowling Club, we live in a close proximity to the Bowling Club and feel it would create huge traffic issues which Bennett and Stirgess Avenue would be unable to cope with as they are narrow streets with parking both sides of the road, it becomes a one lane street.

It would be near impossible to reverse out of our driveway. We have these issues now with the weekend sporting traffic. This is a residential area and residents do not need this type of extra chaos every Sunday morning.
