RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107

This proposal is of scale and bulk that's out of character with the area, not to mention that will it will decimate a swathe of flora and fauna in the area. Even construction will be a nightmare for users of Barrenjoey Rd. We must protect our fast-disappearing bushland and the wildlife that lives here. The council must reject the DA for 521 Barrenjoey Rd.
