RE: DA2020/1453 - 4 Collaroy Street COLLAROY NSW 2097

I write in response to the DA/2020/1453 - 4 Collaroy Street Collaroy NSW 2097

I am very happy to have the opportunity to provide some positive and hopefully feedback. Looking at what has been proposed, i think it would be beneficial for this to proceed. The building looks neat and tidy and will definitely clean up the area. I frequent that area often as i have a close friend that lives opposite the back packers. The noise and disruption it creates is unbelievable.

I truly believe this to be a wonderful project and am looking forward to seeing it at is completion
