RE: REV2022/0024 - 394 Barrenjoey Road NEWPORT NSW 2106

I have been a member of the Newport Surf Life Saving Club for nearly 10 years now since moving into the area, and can speak first hand of the change to my life and my family's life.

We are active patrol members and our children are involved in Nippers. It's an amazing service to the community that connects people and keeps us safe.

I also used my Newport training to perform a resuscitation of a man on Long Reef golf course 3 years ago.

The clubhouse is in a desperate need of an upgrade to its facilities - showers, storage, entry and exits etc. etc.

PLEASE PLEASE PLEASE let the community continue to look after each other and stay connected to each other by approving these very reasonable and well thought out upgrade plans.
