re DA 2021/0318

Dear Penny

I am writing again to state my objections to the above development.

The amended plans show brick paving obscuring the exit of Dungowan Lane. This brick paved area, outside an area for bins and alongside the takeaway areas will encourage people to mingle on the exit to Dungowan Lane, a lane that is used by many vehicles. And will encourage vehicles to use it to driver in and out, collecting ibns

There needs to be clear and unobstructed exits from Dungowan Lane, and a clear plan for rubbish removal so that Dungowan lane is not blocked nor the residents of Number 46 obscured or blocked from exiting their garage via Dungowan lane.

Kind Regards
Merran Cooper
