RE: PEX2024/0002 - 10 - 12 Dee Why Parade DEE WHY NSW 2099

I am very much in favour of this development as more housing is needed for the elderly in order to free up homes for young families. I think it is a win win situation all round. If the development is like the original Oceangrove Complex then it will look so much better than what is there at the moment. Having older residents in Dee Why is a good balance for all the young working families.
