Structural Provisions for Future Residential Massing

Dear Rob,

The current DA plans for the Forestway Shopping Centre redevelopment, when developed into detailed plans for construction, will have sufficient structural provision to allow for the future residential massing of the site to accommodate 200-300 residential apartments to be situated above the shopping centre in two to three towers.

Should you require anything further please contact the undersigned.

Yours faithfully,
TAYLOR THOMSON WHITTING (NSW) PTY LTD
in its capacity as trustee for the
