RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

I object to the proposed development for the following reasons.

John Fisher park is a natural area set aside for the public to enjoy. It also plays an important role in protecting habitat and wildlife.

It has not been set aside for private enterprise wishing to expand their commercial interests. There are industrial areas specifically designed for that.

Allowing this development to go ahead would set a precedent which will certainly be exploited by other commercial interests.
