RE: DA2019/1234 - 0 Wharves And Jetties MANLY NSW 2095

I am the owner of Unit 10, 37-38 East Esplanade, Manly and oppose the application as an affected owner.

This is largely a residential area as well as being the main entry point for tourism to Manly, It is also an area for locals to exercise and families and children to enjoy.

It is not an area for drunks and obscene behaviour. In the past 12 months, in particular, of El Camino's operation, local residents have been subjected to excessive noise, including after closing hours at 1.00 a.m. when people leave El Camino and go to East Esplanade Park to continuing drinking alcohol and making noise and partying at high volume until, often, 3.00 or 4.00 a.m. in the morning.

After leaving El Camino, its patrons use loured language, vomit and urinate on the paths and gardens of Capricorn, which is, apart from being disgusting, totally unacceptable. Neither the Council, nor the Police, appear to be able to control this type of behaviour leaving residents with no confidence that by increasing the numbers something will be done to stop this sort of behaviour.

Surely when the Council approved the last application to increase numbers, which has led to this situation, it would have known the current situation was highly likely.

El Camino has already changed the area in ways reminiscent of days past where Manly had a reputation for drunken and unruly behaviour and not a place to bring your family or feel safe walking the streets. This application can only worsen the situation which appears to already be out of control.
