RE: Mod2023/0684 - 1193 Barrenjoey Road PALM BEACH NSW 2108

To the Assessing Officer,
The Barrenjoey Boathouse at Palm Beach has my full support in their application for extended trading hours.

As a lifetime local resident, I would like to see the establishment offer an evening service that would no doubt be hugely popular with locals and visitors alike. It would be highly unfortunate if the new operators were unable to trade longer hours and miss out on the opportunity to cater to a larger patronage.

Also, as a wedding industry professional, the operators have my support in making the Barrenjoey Boathouse business a success. This iconic venue has, and hopefully will continue, to host many incredible wedding celebrations. Extended trading hours are vital in ensuring the success and longevity of the business, and in addition, can only boost the local economy by attracting more wedding clients, and therefore supposing local affiliated wedding industry vendors and small businesses.

Please consider a positive outcome for The Barrenjoey Boathouse in their application.

Many thanks,
Claire Belford
