PLANNING DEPARTMENT
NORTHERN BEACHES COUNCIL

Dear planners.

The family parkland of GOVERNOR PHILLIP PARK and STATION BEACH is no place for a late night PUB.

The current restaurant facility operating during normal dining hours is working satisfactorily. Increasing those hours, particularly with the prospect of late-night inebriated patrons and wedding guests will cause significant disturbance in what is a quiet residential area. The noise of loud music carries across the water throughout the district.

We would therefore request that the hours of operation are not changed.

Dr George Quittner.
