**RE: DA2019/1190 - 9999 Pittwater Road BROOKVALE NSW 2100**

Dear Sir/Madam,

I support the proposed Development Application for the construction of a new grandstand and Centre of Excellence at Brookvale Park for the following reasons:-

1. Keeping the club at their spiritual home
2. Better facilities for all people attending
3. More community facilities for events and meetings
4. Will promote female participation across many sports due to female change rooms
5. More access for disability patrons to attend sports events

Regards,

Christopher Whitehead
