The personal information requested in this form is required by or under the Environmental Planning and Assessment Act 1979 and will only be used by Warringah Council in connection with the requirements of that Act and any other relevantly applicable legislation relating to the subject-matter of this application. The information is being collected for the following purposes, namely, to enable us to (1) process and determine your application; (2) contact you in relation to your application should that be necessary; and (3) keep the public informed by making the application publicly accessible. If you do not provide the information, Council will not be able to process your application, and your application will be rejected.

Your application will be available to Councillors and Council Officers. Members of the public have certain rights of access to information and documents held by Council under the Government Information (Public Access) Act 2009 (GIPA), and under the Privacy and Personal Information Protection Act 1998 (NSW) to the extent permitted by those Acts.

Warringah Council is to be regarded as the agency that holds the information, which will be stored on Council's records management system or in archives and may be displayed on E-Services Online (except as regards to personal particulars). You have a right to access information within the meaning of the Privacy and Personal Information Protection Act 1998 (NSW) on application to Council, and to have that information updated or corrected as necessary. Please contact `Marringah Council if the information you have provided is incorrect or changes or if access is otherwise sought to the information. In addition, a person may request that any material that is available (or is to be made available) for public inspection by or under the Local Government Act 1993 (NSW) be prepared or amended so as to omit or remove any matter that would disclose or discloses the person's place of living if the person considers that the disclosure would place or places the personal safety of the person or of members of the person's family at risk. Any such request must be made to Council's General Manager: see s.739 of the Local Government Act 1993 (NSW).

#### FLOOR PLAN

An amended floor plan must be submitted if the proposed modification involves changes to the internal layout

A floor plan is a birds-eye view of your existing and/or proposed layout of rooms within the development

Please refer to the Development Application Checklist for details to be included in a floor plan.

#### **ELEVATION PLAN**

Amended elevations must be submitted if the proposed modification involves external changes to the building.

Elevation plans are a side-on view of your proposal. Include drawings of all affected elevations (north, south, east and west facing) of your development.

Please refer to the Development Application Checklist for details to be included in a elevation plan.

#### **SECTION PLAN**

Amended sections must be provided where relevant

A section is a diagram showing a cut through the development at the most typical and critical points.

#### SECOND STOREY

Amended elevations and sections showing proposed external finishes and heights, side boundaries and relevant side boundary envelope under WLEP 2011/WDCP are to be provided if the proposed modification involves external changes to the building.

#### **REVISED STATEMENT OF ENVIRONMENTAL EFFECTS**

This is a written statement which demonstrates the applicant has considered the impact of the proposed modification on the natural and build environments both during and after construction, and the proposed method of mitigating any adverse effects. The revised statement of environmental effects must address how the development responds to the relevant provisions of State Environmental Planning Policies, the relevant Warringah Local Environment Plan and Warringah Development Control Plan as relating to the modification proposal and all existing conditions of consent which will be affected by the modifications.

In addition, indicate that the proposed modification does not substantially alter the original proposal and justify the form of the application (ie, s96 (1), s96 AA, s96 (1A) or s96 (2) )

Please refer to the Development Application Checklist for details to be included in the revised statement of environmental effects.

#### REVISED SHADOW DIAGRAMS

- Amended shadow diagrams must be submitted for proposals that involve external changes to the height, bulk or setbacks of the building.
- All shadow diagrams must be accompanied by the Certification of Shadow Diagrams form available from www.warringah.nsw.gov.au, Planning and Development /Online Forms /Development Applications

#### **REVISED SUBDIVISION PLAN** (Torrens or Strata)

If you are planning to amend your approved subdivision you will need to supply a plan showing the approved subdivision and proposed changes, with land title details (including number of lots).

#### **REVISED LANDSCAPING PLAN**

An amended landscape plan is to be submitted if the proposed modification results in changes to approved landscape areas.
