To Whom it May Concern,
We wish to support the above DA for additional outdoor seating lodged by Hugo's Manly Wharf. This harbourside location is the perfect spot for outdoor dining which is preferred by the majority of customers. Hugo's has become a Manly icon since its opening some 12 years ago. Not only does the owner Dave Evans oversee a magnificent establishment he also is a significant financial contributor to our local community. As a former Mayor of Manly I am fully aware of his unstinting generosity to dozens of local organisations.

Kind regards,
Jean Hay AM
