Good morning Phil

I write to inform Council that soccer training at Passmore Reserve, Campbell Pde, this week has resulted in many men parking their cars on the fields. Wednesday 17/02/21 was particularly bad.

This careless, disrespectful and entitled use of the playing fields is not acceptable to the local community. This is the same group for whom you are considering putting lights into Passmore Reserve, decidedly against the local neighbours' wisdom about the problems night games will cause.

I, once again, very strongly object to the notion of lighting Passmore Reserve, because of the serious problems that will ensue for the school and other residents.

Sincerely

*Christine Del Gallo*
