RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085

This is a submission in full support of the 28 Lockwood Ave development being Application Number: DA2020/0393. The development will add open space green areas and create retail business to create jobs and help the community. The development design is complementary to the local area and will enhance and add value and to the community. This is a great development and the council should be in full support of this development which will create much needed construction jobs in this difficult time. Thank you.
