**RE: DA2024/1216 - Gourlay Avenue BALGOWLAH NSW 2093**

Is there a environmental assessment of the effects of the swell on  
Forty baskets beach pool pilings, Manly BoatShed and moored boats?

As a kayaker, SUPer, and swimmer in North Harbour reserve I am very concerned about the  
safety of all the users of North Harbour reserve

I know of two paddlers who were almost killed ( one watercraft cut into by powerboat, other  
damaged)

I believe the council should prioritise safety of residents
