RE: DA2022/2081 - 292 Condamine Street NORTH MANLY NSW 2100

Hi,
I believe this development not only benefits golf and other sports but also the community. During the years of Covid, golf clubs throughout the peninsular filled their membership, providing some sanity to those people. Social golf also kept the golf courses busy. Golf courses provide green space for all to enjoy. The new development for the clubhouse is a sensible decision due to the location and improved facilities for the other sports that abut. I could say more, but I fully support the development, as I said, it will be a benefit to the community.
Kind regards
Ian
