Dear Sir/Madam

I am a resident at rednal st Mona vale and have lived in the area of the northern beaches for over 40 yrs.

I was recently talking with Dave Evans and Dave Corsi regarding their recent application that increases the seating capacity on the outdoor area of the wharf.

I look back to what the wharf was before the current outdoor seating area was put in and it has been such a positive and safer environment for all.

I know the beliefs of the Hugo's brand and know they take pride in serving the manly area and people to the best they can in every instance.

I support the business and the co owners in all they do because I know they don't cut corners in delivering an amazing result every time.

Pls feel free to contact me if I can assist further

Kind Regards
