ORGANIC FOOD MARKETS

8/3/2021

to Council Pittwater  
Northern Beaches,

The markets  
at Warriewood and the RSL  
are not appropriate for this  
area.

My sister  
lives on Warriewood Rd and  
it was difficult to park and  
dangerous for pedestrians. Upon  
visiting my sister, this market  
is highly mismanaged and can  
surely be relocated to a local  
park or reserve.

I strongly  
object to the markets and hope  
the council can help my sister  
and the residents.
