RE: REV2021/0034 - 231 Whale Beach Road WHALE BEACH NSW 2107

To whom it may concern.

I thought I'd make a submission in support of the new proposed whale beach neighbourhood centre.

It's great to see new developments on our northern beaches, refreshing the area and providing new cafes to bring more people into the area.

Many buildings are looking so outdated so it would be nice to see new life breathed into the area.

Kind regards
Tia collings
