RE: DA2018/1708 - 197 Sydney Road FAIRLIGHT NSW 2094

I am strongly opposed to this proposed development. The proposal is completely out of scale and out of character with the surrounding neighbourhood. It will have significant negative impacts on the environment as a result of increased noise, traffic and waste as a consequence of crowding up to 126 people into these 2 lots. The proposal will severely compromise the amenity of the area for current and future residents of Fairlight.
