RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

Pam and I have lived in Newport area since 1967. The last 18 years in Queens Pde east. We have many friends who have raised their families in the area and are now looking to move closer to the facilities of the shops, the Restaurants, cafe's, the Beach and the Bowling Club. Vehicular access via Robertson Road as submitted in the current Proposal will ruin any future chances for a Pedestriann Plaza . The development of Robertson Road as a considered and well planned Comunity Hub is essential to the future wellbeing of Newport and the surrounding area. Do not let this opportunity slip away as we may not get another chance to enhance our great Beachside Oasis.
