REQUIRED	SUPPLIED
Contact Council if you are unsure what details will be required for your modification application.	YES NO - WHY NOT
PREPARING YOUR APPLICATION Three (3) copies of all documentation, <u>including the application form</u> are re-	
 quired. Additional copies of documentation may be requested. Highlight in colour all proposed modifications on the plans. OR Major development: new commercial, industrial and residential flat buildings. Seven (7) copies of all documentation, including the application form are required. 	
Additional copies of documentation may be requested. Highlight in colour all proposed modifications on the plans.	
A4 PLANS FOR NOTIFICATION PURPOSES (7 copies) Proposed modifications must be highlighted, or otherwise identified.	
 Provide seven (7) copies of A4 reductions of site plan and elevations (preferably 1 page), to be double-sided (excluding floorplans) 	
These plans need not include interior detail which may effect your rights to privacy. However if such plans are provided, then the signature on the Development Application Form acknowledges and accepts that all relevant A4 plans submitted will be used for public notification purposes.	
Non Notification Checklist	
If this was submitted with the original development application and the proposed modification still meets the criteria on the relevant checklist available from www.war- 	
PLANS	
Plans must be drawn to scale (preferably 1:100 or 1:200) Free hand, single line or illegible drawings will not be accepted. The following information should be included on all plans and documents:	
 Applicant(s) name(s) Property address (block/house/shop/flat number) Lot number, Section number and Deposited Plan / Strata Plan number. Measurements in metric The position of true north Draftsman/architect name, date, plan name and number, plan version, and revision 	
SURVEY PLAN A survey plan will be required if the proposed modification involves changes to the works footprint and the original survey submitted with the development application is more than two (2) years old.	
SITE ANALYSIS PLAN An amendment site analysis plan must be submitted if the proposed modification involves external changes to the building.	
A site plan is a birds-eye view of the existing approved and proposed development on the site and its position in relation to boundaries and neighbouring developments.	
Please refer to the Development Application Checklist for details to be included in a site analysis plan.

REQUIRED SUPPLIED YES NO - WHY NOT FLOOR PLAN An amended floor plan must be submitted if the proposed modification involves 4 changes to the internal layout A floor plan is a birds-eve view of your existing and/or proposed layout of rooms within the development Please refer to the Development Application Checklist for details to be included in a floor plan. **FELEVATION PLAN** Amended elevations must be submitted if the proposed modification involves external changes to the building. Elevation plans are a side-on view of your proposal. Include drawings of all affected elevations (north, south, east and west facing) of your development. Please refer to the Development Application Checklist for details to be included in a elevation plan. SECTION PLAN Amended sections must be provided where relevant A section is a diagram showing a cut through the development at the most typical and critical points. SECOND STOREY Amended elevations and sections showing proposed external finishes and heights, side boundaries and relevant side boundary envelope under WLEP 2011/WDCP are to be provided if the proposed modification involves external changes to the building. **REVISED STATEMENT OF ENVIRONMENTAL EFFECTS** This is a written statement which demonstrates the applicant has considered the impact of the proposed modification on the natural and build environments both during and after construction, and the proposed method of mitigating any adverse effects. The revised statement of environmental effects must address how the development responds to the relevant provisions of State Environmental Planning Policies, the relevant Warringah Local Environment Plan and Warringah Development Control Plan as relating to the modification proposal and all existing conditions of consent which will be affected by the modifications. In addition, indicate that the proposed modification-does-not-substantially-alter-theoriginal proposal and justify the form of the application (ie, s96 (1), s96 AA, s96 (1A) or s96 (2)) Please refer to the Development Application Checklist for details to be included in the revised statement of environmental effects. REVISED SHADOW DIAGRAMS -Amended shadow diagrams must be submitted for proposals that involve external changes to the height, bulk or setbacks of the building. All shadow diagrams must be accompanied by the Certification of Shadow Diagrams form available from www.warringah.nsw.gov.au, Planning and **Development /Online Forms /Development Applications REVISED SUBDIVISION PLAN** (Torrens or Strata) \rightarrow /A. If you are planning to amend your approved subdivision you will need to supply a plan showing the approved subdivision and proposed changes, with land title details (including number of lots). **REVISED LANDSCAPING PLAN** An amended landscape plan is to be submitted if the proposed modification results in changes to approved landscape areas.

REQUIRED	SUPPLIED
	YES NO - WHY NOT
REVISED BASIX AND NATHERS CERTIFICATE	
A revised BASIX certificate may be required. Please refer to www.basix.nsw.gov.au or phone the BASIX Help Line on 1300 650 908	
REVISED ADVERTISING STRUCTURE/SIGN (Advertising applications only)	
If you are planning to modify an advertising structure or sign you will need to supply relevant details as contained in the Development Application checklist for advertising structures	
REVISED STATEMENT OF HERITAGE IMPACT	
A revised statement of heritage impact is required for all modifications involving heritage items or works to buildings in conservation areas
