**RE: DA2024/1827 - 11 Loch Street FRESHWATER NSW 2096**

To: Northern Beaches Council Planning & Development  
From: Darren & Kylie Clarkin 9 Loch Street  
Date: 27/3/2025  
Subject: 11 Loch Street DA 2024/1827 Process to Manage Objections

We are writing to you to get some clarity on the process for the DA 2024/1827 at 11 Loch Street to understand the process to engage us for discussion.

As you know, we have submitted concerns from 9 Loch Street on February 5th 2025 (via Bill Tulloch at DA Objections PTY) around the initial plans submitted to council. We have not heard anything since that submission and wanted to understand the process form here to work through the serious concerns we have documented.

We also see that there have been amended plans submitted by 11 Loch Street and wanted to formally request if we need to object to those plans that have been recently submitted or should we wait for council to engage us on the initial set of concerns. At first glance, the recently submitted plans do little if anything to address our concerns previously submitted.

Thanks in advance and we look forward to your advice on this matter.

Regards,

Darren & Kylie Clarkin
