Dear Sir/Madam,

In relation to the above submission near East Esplanade Park Manly 2095 to double the size of the Manly Wharf Pub it will only bring more drinkers into this spot.

With respect to toilet facilities it only favours Ferry and their Patrons because they are to be placed centrally.

The Rangers and the Police cannot cope with this problem of urinalaters now let alone later in the night, say 10pm onwards.

Yours faithfully,  
Elizabeth Mawhood
