RE: Mod2023/0684 - 1193 Barrenjoey Road PALM BEACH NSW 2108

I am enthusiastically looking forward to the Joey opening and fully support the development and its lunch and dinner offering. With a highly regarded operator and a brand new fit out my wife and I look forward to taking our friends to dinner and showing off what our area has to offer - its just what we need in the area for tourism and the community's enjoyment.
