RE: DA2019/1475 - 22 Victoria Parade MANLY NSW 2095

I want to communicate my opposition to the DA2019/1475. 22 Victoria Parade.
This to be a residential area and believe that the development will impact on the peaceful nature of the neighbourhood. Increased traffic will increase the danger for the school children accessing the school located opposite.
Please include my opposition in the process.
regards
mary
