RE: DA2020/1397 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

I strongly object to the proposed development application. As a resident of this area we have already been subject to increased traffic and speeding cars due to people using the suburb as a cut through. This will only become worse when the tunnel is being built. Putting a childcare centre on the main road into our suburb is dangerous and a very flawed idea. Where are all the people going to park? There is barely enough parking for residents let alone 24 families dropping off & picking up their children every day. There are ample childcare facilities already in the area and another one is not needed or wanted by local residents.
