**RE: DA2022/0456 - 62 Myoora Road TERREY HILLS NSW 2084**

We are concerned about traffic flow around our block. In particular cooyong and Myoora roads. When an accident happens on Mona Vale road we are already locked in or out of our own suburb with Myoora being a main arterial road in and out of Terrey hills. Adding more strain with traffic around this road and area has a huge impact on our local community and our everyday accessibility to our suburb.
