RE: DA2020/0552 - 181 Allambie Road ALLAMBIE HEIGHTS NSW 2100

I strongly object to DA 2020/0552 181 ALLAMBIE RD for the reasons outlined below:  
There are too many roads and parking spaces. It looks like there are more than 62 parking spaces. That's more than 2 car spaces for each apartment. That is too many. It is a waste of space and the council should be encouraging better land use. Many old people do not drive either but use Uber, taxis and public transport, all of which are convenient in this area and easy to catch. Council needs to understand that we are moving away from a high carbon intensive lifestyle to a more sustainable future. New projects should be encouraged to move with the times and not be resource wasteful, environmentally destructive and carbon intensive. We need to leave to our children, grand children and great grandchildren a better world than we have inherited, not one that is old fashioned and a burden on everyone else.
