RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

The current application does not allow for a pedestrian plaza in Robertson Road.
It is my understanding that the revised application was made before the meeting with Simon Barlow and has no relevance to that meeting.
I look forward to seeing a new application which is both satisfactory to the developers and the residents of Newport.
Regards,
Anna Schloeffel
